The cubs [for/ did/ use] not mind. They climbed to the [long/ from/ top] of the tree. They raced with [each/ new/ oven] other. Baba won the race. Then Nana [apple/ fine/ tried] to push him out of the [yes/ was/ tree]. The two scampered out of the [tree/ thank/ for]. Then onto the ground. They forgot [hope/ what/ not] Mother Bear had told them to [do/ bat/ so]. They chased each other up and [put/ down/ rat] trees. Then Nana crashed to the [should/ ground/ tired]. She shook her head.
