

MANCHESTER BOARD OF EDUCATION
HEALTH REQUIREMENTS FOR MANCHESTER SCHOOL ENTRY
2017-2018

To facilitate the entry of your child into a Manchester School, the following health documents should be presented to school officials at the time of registration.

PHYSICAL ASSESSMENT:

A copy of a physical assessment, completed by a licensed Healthcare Provider that includes the elements of the Connecticut Health Assessment Record (HAR-3) is required. This includes an assessment for TB risk and chronic disease assessment. The Connecticut Health Assessment Record can be obtained from any school office or at the Board of Education website.
