***The Martin students have had the unique opportunity to participate in the Unified Sports program that is held annually at Glastonbury High School. This year's date is this Saturday, April 25th, 2015. There are 10 students participating, ranging from grade 3 to 5, in various athletic events. During the festivities, students are "paired" to work together as their own team to encourage, excite, and promote sportsmanship. Events include: extra skills practice in all the major sports, like soccer, basketball, baseball, and volleyball.***

On this Wednesday, April 22nd, the Martin Team will be going to the New Britain Rock Cats baseball stadium to be recognized at their "Hometown Hero" event. Students will have the experience of a lifetime and get to go out on the field before the game, with one lucky member getting to throw out the "first pitch" of the game.
