

**WEARING OF IDENTIFICATION BADGES**

**Statement**

The Manchester Board of Education seeks to create and maintain an environment in its schools for students, staff, residents, and visitors, which is safe, free from unnecessary disruption, and maintains the security of the school facilities and personal property.

All staff members, in all schools, will be issued and wear, in a visible place, a photo identification badge.

In addition, all visitors to schools will be required to report to the school office; and, once admitted to the school, will be issued a visitor's ID, which will be worn while in the building.
