

The Board of Education requires all students at Bennet Academy, Illing Middle School, and Manchester High School to be issued and carry photo identification badges.

In addition, all visitors to schools will report to the school office; and, once admitted to the school, will be issued a visitor's ID which will be worn while in the building. The purpose of this policy is to better ensure both the safety of all our students and staff, and the security of our buildings and personal property.
