

August 6, 2015

Welcome to Room 212! When you come back to school, I will be your third grade teacher, and I'm looking forward to meeting you and getting to know you. This is going to be a great year! We will learn lots of new things, and you'll play math games, write stories, do science experiments, learn about our community, read some great books, and much more.

I hope you are enjoying your summer. Maybe you've been at camp, traveled to new places, taken swimming lessons, or just had fun at home. I've spent time at the beach, done some work around my house, and visited with my family and friends. Now I'm excited to start getting ready for school, and I hope you are too.

There will be plenty of school supplies in our room, but if you would like to bring some of your own, here are a few suggestions:

- A plastic pencil box for your desk
- No. 2 Pencils
- A box of 24 crayons
- A box of 12 colored pencils
- 1 highlighter (any color)
- 1 dry erase marker and eraser
- 2 laminated pocket folders

I'll see you soon! Until then, have fun during the last few days of vacation.

Your third grade teacher,
Mrs. Thieling
