

Dear Highland Park Families,

At Highland Park Elementary we celebrate reading every day. However, **Wednesday, March 2nd** is an extra special occasion. Students and staff will be participating in **Read Across America** to honor Dr. Seuss'

birthday. Remember to dress as your favorite Dr. Seuss character, whether Thing 1 or Thing 2, or even Cat in the Hat himself. Classrooms will have mystery readers throughout the day and the library will highlight Dr. Seuss books. So come in with your reading caps on and dress to impress for our fun-filled day!
