

Hello! My name is Miss Narducci and I am so excited to be working with you and your child this year. It is going to be a year full of fun, learning, and discovery. I can't wait to see what is in store for us. I thought you might want to know a little about me.

I absolutely love teaching and have been doing so for four years. This is my second year teaching third grade but my first year at Highland Park. I have been busy setting up our classroom and planning lots of activities.

I am the oldest of three girls in my family. My younger sister is an interior designer who works in New York and my youngest sister is a nurse working on her degree. We are very close to one another and I am so proud of them. In my free time I love to cook for my friends and family! My favorite color is purple and I love chocolate! I also enjoy doing things outside, being crafty and relaxing when possible.

It is my mission to instill a love of learning in my students so they can grow to fulfill their dreams. Therefore, it is important to me that we work together to best meet the needs of our students. Please feel free to contact me any time as I would be happy to speak with you. I look forward to a great year together!

I hope everyone had a wonderful summer and I can't wait to hear all about it when we get back to school. See you soon!

Best,
Miss Narducci
