

August 8, 2016

Dear Third Grade Families,

I hope you are enjoying your summer vacation! I've spent some time at the beach and visited two of my grandchildren in Grosse Pointe, Michigan.

Students are going to like third grade! They will work hard, but have lots of fun too. We'll play math games, work on fact fluency, write stories, do science experiments with the STEM teachers, read some great books, and much more. I'm looking forward to sharing a year filled with learning and new experiences with your student.

There will be plenty of school supplies in our room, so you won't need to bring anything from home. If you are thinking about getting a new backpack, try not to choose one with wheels because it will be too wide to fit inside our lockers. If your student would like a midmorning snack, please send in something healthy: crackers, fruit, veggies, cheese, etc.

The first day of school is Thursday, September 1, 2016. It is a full day beginning at 9:05 and ending at 3:25. I'm looking forward to meeting you!

Your teacher,

Mrs. Thieling
