Dear Parents of Middle School Athletes,

In the not too distant future, the fall sports season will be upon us and I would like to inform you of a few important items. The fall sports offered at Illing Middle School are Boys' and Girls' Soccer, Cheerleading, and Boys' and Girls' Cross Country. There will be an informational meeting for athletes interested in participating in fall sports after school on Tuesday, September 1<sup>st</sup> in the Kelley Gym. At this meeting, athletes will meet the coaches and find out information for tryouts and the upcoming season. Tryouts for all fall sports will happen on or around Thursday, September 3rd.

Our fall sports season starts at the end of September and runs through the end of October, early November.

Finally, if your son or daughter plans to participate in any extracurricular sports during the year, I would like to remind you to turn in the sports medical permission form. These are necessary before we can allow participation and mandated by the school district. It is different from the regular school physical form and must be signed by your child's doctor and a legal guardian. These forms can be obtained from the school nurses' office or from the Illing website.

If you have questions prior to the start of the season, please feel free to contact me at any time. I look forward to a great year! You can reach me by email [b21dbeby@mpspride.org](mailto:b21dbeby@mpspride.org) or [illingathletics@gmail.com](mailto:illingathletics@gmail.com).

Have a great summer!!!!
