Dear Parents of Illing Middle School Athletes,

I want to first introduce myself to you all. My name is Dan Bebyn and I will be the new Athletic Director at Illing Middle School starting this fall. I have taught and coached in the Manchester School system for 30 years and have also coached basketball and soccer in the Manchester Recreation Leagues. I coached Little League for 8 years and currently am serving as an assistant coach of a travel basketball team.

Our fall sports season includes Boys' and Girls' Soccer, Cheerleading, and Boys' and Girls' Cross Country and starts at the end of September and runs through the early November. There will be an **informational meeting for athletes interested in participating in fall sports after school on Thursday, September 4th** in the Kelley Gym. At this meeting, athletes will meet the coaches and find out information for tryouts and the upcoming season. **Tryouts for all fall sports will happen on or around Monday September 7th.**

Finally, if your son or daughter plans to participate in any extracurricular sport during the year, I would like to remind you to turn in **the sports medical permission form**. These are necessary before we can allow participation and mandated by the school district. It is different from the regular school physical form and must be signed by your child's doctor and a legal guardian. These forms are available on the Illing website and should be in your summer packet of information. Forms can be obtained from the school nurses' office or the athletic office between 8-3 once school begins. Student athletes CANNOT tryout without these forms.

If you have questions prior to the start of the season, please feel free to contact me at b21dbeby@manchesterct.gov or illingathletics@gmail.com anytime. I look forward to a great year!

Dan Bebyn
Athletic Director
