

ILLING MIDDLE SCHOOL ENRICHMENT PROGRAM CONTRACT 2014-2015

I, _____, plan to participate in the Illing Middle School Enrichment Program during the 2014-15 school year. I understand that as an Enrichment student I will be responsible for:

- attending every Enrichment class, and coming to class prepared and on time,
- completing my Enrichment projects and research assignments on time and to the best of my abilities,
- making up work I may miss in my regular classes when I am in Enrichment; the work I need to make up is at the discretion of my team teachers,
- maintaining a B average or higher in my regular classes during each grading period and keeping up with my work in my regular classes.

I plan to do my best to meet all of these criteria, so I can succeed in Enrichment and in my regular classes.

I understand that the Illing Middle School S.T.A.R.S. Program applies to Mr. Lee's Enrichment classroom just as it does to the rest of the school and therefore my behavior should reflect well on the Enrichment program, Illing, and myself.
