Newsletter Editor: Mrs. Malan

From the Principal's Desk

Mrs. Martin-Beaulieu

Dear Keeney Families,

It is truly hard to believe that I am closing my third year with you as the principal of Keeney Street School. What an amazing year it has been!

Last year in the June newsletter I was highlighting the fact that so many more of our students were being given opportunities to make decisions about their learning. I gave examples of some 4th and 5th grade classrooms engaging in "Innovation Days" where students selected their own topics and researched independently. This year we have really expanded on that to provide for all second, third, fourth, and fifth grade students to

choose a topic of interest and delve deeply into that work through *Genius Hour*. Through that experience, students have created robots, established ways to connect within their community, have studied different animals, have create art in the style of famous artists, and so much more. We truly are a school of geniuses and I so look forward to more acts of genius coming our way next year!

At this time I would like to express my sincere gratitude to the Keeney Staff for their high investment in the growth of our school and your children. Together we are learning more effective ways to deliver content, we are strengthening our teams through intentional collaboration, and we are engaging in important professional learning opportunities to make sure the voice of the student plays a prominent role in their learning. There is hard and important work to be done in schools and I am fortunate to be able to work alongside the great teachers and staff of Keeney to do that work.

That work, as we know, cannot be done successfully without a strong partnership with our families. I thank

every one of you for the work you do at home to support your child's learning and I look forward to growing that partnership even more next year. Thank you also to our PTA for the opportunities you have provided for our Keeney Cubs. From the Bill Harley Assembly, to Mad Science, to financially supporting our Clusters - I am truly, truly grateful for all that you do. Thank you.

I hope you all enjoy your upcoming summer break. I will see everyone on August 27th.

Preschool

Mrs. Lepack, Mrs. Aldrich

Thank you for a great year ! We will spend the last couple of weeks wrapping things up. We'll talk about summer and summer activities (i.e. swimming, beach, fishing, camping and bugs!). We'll celebrate dads with a special project and wish all our dads a Happy Father's Day! We'll learn a few new songs and review some of our favorites.

It has been a pleasure teaching your children and watching them

grow. Please look for a letter to be sent home toward the end of August. To our future kindergartners - we will miss you. We are very proud of all that you've learned and how hard you have worked. We wish you a great year in kindergarten!!! We are wishing everyone a wonderful summer!

First Grade

**Mrs. Sisson, Mrs. Karlins,
Miss Branciforte**

It's hard to believe this school year is already coming to a close. We are so proud of the progress our first graders have made this year! They have learned and grown so much.

Some of the students favorite memories from this year include: being star student, making new friends, our Read Across America week long celebration including a visit

from the guide dog Kody and Officer Lane and dressing up for Wacky Wednesday, chasing the Gingerbread Man and eating the gingerbread cookies he left for us, releasing the butterflies, celebrating the 120th day of school, a visit from Dr. Norige and watching the production about Junie B. Jones!

As you enter the break, please remember to read with your child throughout the summer. We would like for every student to start the next school year off ready to learn new things! Thank you for all that you have done to support your child's success in school this year.

Second Grade

**Mrs. Patrick, Mrs. Frallicciardi,
Mrs. Smith**

It's hard to believe that our school year is coming to a close. Second graders have been finishing up projects, preparing for our musical, and are looking forward to our field trip to Nathan Hale Homestead. It has been such a pleasure to work with and get to know all of your children. We are sad to see them go, but we wish them all the best in third grade.

Here are some favorite memories of
second grade:

"I remember my first day at Keeney.

Tyler M. was helping me with
morning work." Jeremiah

"I enjoyed practicing for the musical."

Lucas

"I loved the flash card competition."

Michael

"Mrs. Patrick was really nice." Liam
and Tiana

"I liked Genius Hour." Slei

Third Grade

Mrs. Silvia, Mrs. Steiger

Third graders are winding up the year with some wonderful activities! Last week we took a field trip to the Cheney Historical District and were fascinated by the history of our Town. We toured Old Keeney School, Cheney Hall, Old Manchester Museum and the Loom Exhibit. The guides were extremely knowledgeable and welcomed the many questions third graders asked.

The students are looking forward to having the Connecticut Science Center visit Keeney and bring with them very exciting hands-on activities!

Fourth Grade

Mrs. Christensen, Ms. Olesnevich

Mrs. Angelo

It's that time of year in 4th grade - State Fair! Students are diligently at work, either independently or as a member of a team, having each been given a state to explore and research. Using a variety of skills learned throughout the year, students are currently playing the role of travel agent, creating and developing brochures, travel guides and persuasive essays - all with the travel enthusiast in mind. Determining reliable sources of information, note-taking, paraphrasing, organization and time management - all skills students continue to develop along the way. Mark your calendars for June 18th when State Fair unfolds in the gymnasium at Keeney School!

Art Department

Mrs. Punty

As our Keeney artists end a busy and productive year, I would like to thank parents who came in to help out with classes. It is always a pleasure to have the extra help and children really enjoy family involvement.

This summer, several Keeney cubs have Save the Sound posters on display. These students are kindergarteners Evelyn Anglin, Eylani Figueroa, and Iyanna Sheets. In addition, first graders Kiera Chandler and Gabrielle Carlson have posters on display. Finally, second graders Gavin Kane and Erika Frost have seascape posters in the summer display. Their work is on the basement bulletin board at in the Board of Education Building School Street.

I have chosen a cave painting by Jesse Beaulieu and a flower painting by Payton Lockman to represent our Keeney calendar page in the annual town-wide art department calendar.

Congratulations to all the talented hard working students at

Keeney who have had artwork on display throughout the school year.

Everyone have a safe, relaxing, and fun summer.

Music

Miss Haveles

We are so very proud of our 4th and 5th grade musicians who performed in our Spring Concerts. All of their hard work with practicing, rehearsing, and performing paid off and they sounded great. Congratulations on a job well done!

On Tuesday, June 16th there will be a Volunteer Breakfast from 9:30-10:30am in the Keeney cafeteria for all adults who volunteered during this school year. A form went home with your child a few weeks ago. Please attend if you are able. All students will give a short performance at the breakfast.

QUASSY. After much deliberation and re-planning, Grade 5 is taking their end-of-year celebration completely off-campus! On Thursday, June 18th, we will be heading to Quassy Amusement Park in Middlebury for a day's celebration of some significant careers as Keeney Cubs. We would like to thank families and our PTA for making such a fun and memorable experience possible.

GRADUATION. After we are done stuffing ourselves with hotdogs, and having had our fill of thrill-rides and water park shenanigans, our fifth grade community has decided to formalize student promotion to sixth grade with a graduation ceremony. Families and friends of our fifth graders are welcomed to the Keeney gymnasium on Friday, June 19th from 10:00-11:00 am. Students have been encouraged to wear their "Sunday Best" to receive well-earned diplomas and well-wishes for promising academic endeavors ahead!

FINAL THOUGHTS. As we wrap up a truly memorable year, here are a few, final memories our graduates would like to share:

The Thompsons	
Name	Favorite Memory
Kimyra Armstrong	My favorite memory at Keeney is making friends that are always by my side. I cherish sitting with all my friends at lunch and that's when we usually talk and joke around.
Nicole Donovan	My favorite memory at Keeney is when we went to Discovery Camp because i got to meet new people.
Kaylee Emond	My favorite memory at Keeney is when I met Mrs.Thompson who is going to be the best teacher EVER!
Cailyn Flanagan	One of my favorite memories at Keeney is the State Fair in fourth grade.
Lauren Kennedy	One of my favorite memories at Keeney is getting into the enrichment program and meeting Mrs.Fox.

Tyler Longwood	My favorite memories are going to Discovery Camp with Washington and my home school, Keeney. My other memory is when I met the 3 favorite people like Quinlan, Angel and Alex Lopez. I hope that this school remembers me as a legendary blader. I am gonna miss you Mrs.Thompson.
Alexander Lopez Jr.	My favorite memory is when I went to Discovery Camp and being in the same group as my friend Davonta.
Natalie M. Louis	My favorite memory at Keeney was when we went to Discovery Camp because it gave me a chance to appreciate nature and being outside (even though it was raining and freezing).
Davonta Martinez	My favorite memory was when we went to Discovery Camp and I was in the same group as Alex.
Elijah F. Mumford	One of my favorite memories was at Discovery Camp when we climbed the rock wall.
Theresa Nagujja	My favorite memory is when I met my teacher Mrs. Thompson and the kids in my class.
Quinlan Orpheus-Diana	My favorite memory was when Mrs.Walmark book-hooked <u>Stargirl</u> . That book then turned out to be my favorite book and also helped me find Jerry Spinelli... who then became my favorite author. I recommend you read his books and you'll understand why.
Jacob Rivard	My favorite memory at Keeney was my first day of school in first grade. I picked this day because it reminded me how welcomed I was into this school.
Natalia Rogers	My favorite memory at Keeney was, the Fifth Grade Holiday Spelling Bee. Even though I lost it was still fun to do as a class. :)
Angel Rosario	My favorite memory is when I discovered my best friend and we had the same birthday.
Mary Valentine	One of my favorite memories at Keeney is when I won the 5th Grade Spelling Bee because I was surprised and excited at the same time. It was the best feeling.

Ms. Borcea's Class

Name	Favorite Memory
Tyler Barry	One of my favorite memories was in Kindergarten when Mrs. Steiger accidentally hit me in the nose and I got to be the teacher for the rest of the day.
Alyssa Candido	One of my favorite memories from Keeney is when I got to meet the kids from Washington school at Discovery Camp.
Andrea Ekis	My favorite memory was having emotional Circles because I got to learn more about people's feelings.

Mia Hickey	My favorite memory was when Dara, Grace, Sarah and I made this duck committee and asked people if they wanted to join.
Malachi Jackson	When I walked in my 5th grade classroom and said hi to my new teacher Ms. Borcea.
Kameryn McCray	My favorite memory was when we had a very emotional circle and even though we knew some of the people for a long time we still got to know them better.
Giana Mugovero	My favorite memory was when Marissa was opening a packet of syrup and it got all over my clothes.
Dominique Salazar	Another one of my favorite memories at Keeney was the science fair and how Dara Sarah and I won first place! Also we went to the district science fair and we won first place there too!
Sarah Silberberg	When my enrichment teacher asked if she could send my personal narrative to a magazine publisher!
Hailey Skyers	A favorite memory from Keeney was when this year we had lots of fun laughing on the bus whenever we had field trips.
Dara Song	Another favorite memory is winning and finishing the science fair with Sarah and Dominique.
Julia Stasiowski	On field day in fourth grade when I got a blue raspberry popsicle that turned my tongue blue
Jessica Swedis	My favorite memory was the 4th grade field day. I wasn't able to run so when we got to the cup race my team poured the rest of the water on my head.
Elijah Torres	My favorite memory was this year meeting Ms. Borcea on the first day of 5th grade and she made 5th grade the best school year ever.
Zenayah Wright	A favorite memory is when we had field day in fourth grade I remember eating the tasty popsicle and seeing the 5th graders played tug a war.
<u>A</u> bdullah <u>B</u> arlas, <u>M</u> irza	During gym when some of us were building stuff with the mats, I made a cone shaped thing that I hid inside and when we were lining up I just jumped out to try to scare a few people.

Ms. Wallmark's Class	
Name	Favorite Memory
Marissa Benson	I loved the Father-Daughter dance.
Alexandra Carlson	I enjoyed performing in Mrs. Christensen's play, "The Apostrophe". I played a clerk and liked Malachi and Davonta's attempt at rapping.

Christina Cumbo	4th grade was the best year so far because we always had great and amazing laughs. I also like being with all of the best teachers that work here and that teach us new things everyday.
Hunter Donovan	I loved the last day of fourth grade and spending time with Mr. Trungadi before he left.
Sophia Goldberg-Doyle	I loved the "State Fair" in fourth grade. We created a house with our posters and had a lot of fun putting our projects together.
Nathan Heimer	In fourth grade, I loved being with my friends. Tyler Barry, Tyler Leavitt, and Hunter were all in Mr. Trungadi's class with me.
Victoria Jones	I loved going to Discovery Camp because Marielis was my bunk mate and the camp fire was fun.
Tyler Leavitt	Last year, I loved hanging out with all my friends in Mr. Trungadi's room. I had a lot of fun working on my State Fair project.
Tyler Leroux	My favorite memory is going to the Mystic Aquarium because they have sea life that is cool and because they train animals to make a show. I also like getting along with people and making friends at Keeney .
Julienna Lofstrom	My favorite memory was meeting my best friend, Lexi, in third grade.
Alexia Pagani	My favorite memory at Keeney is the "Apostrophe" play that we performed in fourth grade. I played Hank (Hilda's husband) and we were trying to buy the apostrophe.
Grace Reid	My favorite memory is Enrichment Clusters because I had a lot of fun making a movie with Sarah and Sophie.
Rachael Riddell	The moment I will remember the most is meeting all the fifth grade teachers.
Marielis Rodriguez	I loved meeting all my friends in Kindergarten and moving through Keeney with them.
Emma Thomsen	I enjoyed going to Hammonasset State Park and getting to see all of the periwinkles on the rocks. I liked getting to learn about all the litter in the sea and how we can help.
Nazhoni Tully	I am going to remember going to Mystic Aquarium and seeing the Sea Lion show. I also loved meeting all my friends this year.

Get ready for SUMMER READING

Thoughts for summer from Ms. Jones

As Parents, one of our major roles is to make sure that children set aside time every day to read especially during the summer months – to read for pleasure, for information, or the excitement of living in an imaginary world.

Why is this so important?

- Children need to engage with books every day so they can maintain all the literacy skills they learned during the previous school year.
- The stakes for children who do not read over summer vacation are very high. Substantial research on this topic shows it's usually the students who can least afford to lose ground as readers who are most likely to suffer from summer reading loss and fall far behind their peers.
- The few months of loss in reading skills compounds over the years; by the time children reach middle school, those who haven't read during the summers may have lost as much as two years' worth of achievement.

The Good News is... that if children read just six books over summer vacation, they will likely avoid summer reading loss. Here are a few ideas for reaching--and going beyond--this six book goal:

- **Take books with you and your child** everywhere you go; to the doctor's office, on picnics, on road trips, sibling's sports games, etc.
- **Let your child choose** the books she wants to read (as long as they're age-appropriate and are *just right* level of difficulty).
- Support his reading experience by **talking about the books** and helping him understand and interpret what he/she reads.
- **Read aloud** to your child, even if she can read on his/her own. It helps build vocabulary and listening comprehension skills.

- As you're reading aloud, be sure to **interact with your child** by asking what she thinks might happen next, what a certain character is likely to do, whether the story is real or make-believe, and so forth. Above all, have fun!
- If you are more comfortable reading to your child in a **language other than English**, by all means do so. What your child learns in his or her native language will help create a bridge to learning English.
- Encourage your child to participate in a **summer reading program**:

Mary Cheney Library and Whiton Memorial Branch participate in The 2015 Governor's Summer Reading Challenge and offer great incentives to help your child get excited to read.

Barnes and Noble Bookstores summer reading program allows kids to earn free books! They simply read any eight books – library books, books borrowed from friends or books bought at Barnes & Noble – write about their favorite part in Barnes and Nobles' Reading Journal, and bring a completed Reading Journal to a Barnes & Noble bookstore. Children then choose their free book. Visit their website for more details at: http://www.barnesandnobleinc.com/our_company/community/Summer_Reading/Summer_Reading_Program.html

- In addition to reading books, children can practice their reading skills by engaging in many different **online reading experiences**. Literacy-building sites such as [PBS KIDS Island](#) for children ages 3-5, and the [Great Word Quest](#) for ages 6-8 (both of which are free) are great examples. And don't forget to visit [Manchester's K-8 website](#) for other great literacy activities!

*I believe that encouraging your child to continue reading over summer vacation is the single most important thing you can do to help develop of an interest in reading and reduce summer reading loss. The more time a child spends reading, the better reader they become!
Have a wonderful and safe summer!*

Summer Reading Tips for Parents

During your child's school vacation, it is important for him to spend time reading and writing on a regular basis—whether he is a very beginning reader or a fluent reader. Luckily, summer's more flexible schedule and wide array of activities lend themselves to literacy opportunities. Try some of these suggestions for making your school-aged child's summer full of literacy fun.

- **Be a reader and writer yourself.** When you spend time reading books on the beach or even directions for how to put together the grill this summer, you demonstrate for your child that reading is both fun and useful.
- **Set aside a consistent time each day for reading.** Depending on your family's schedule, reading time might be in the morning, afternoon or before bed. Whatever time you choose, stick to it, but also remember that flexibility around trips and special family events is OK.
- **Read aloud to your reader.** As school-aged children become better readers, parents often stop reading aloud to them. However, by reading more difficult books aloud to your reader, you help him learn new vocabulary words, concepts, and ways of telling stories or presenting information. You also enjoy the closeness of sharing a book with your child.
- **Connect read-aloud choices to summer activities.** Read your child books about camping, such as "Webster and Arnold Go Camping", before or after a camping trip. When you read and discuss books about things your child has experienced, you help her learn important vocabulary and extend her understanding of experiences.
- **Allow your child to choose books for summer reading.** While it is important for your child to complete reading required by his school, it is equally important for him to read about topics that interest him, whether it is insects, dragons or a favorite fiction series.
- **Help your child select books at a comfortable level.** Listen to your child read. If he reads smoothly, uses expression and can accurately tell you what he read, the book is probably at a comfortable level. If you are having troubling judging, consult your local children's librarian, who is likely to be an expert at matching books to readers. In addition, teach your child to use the "rule of thumb" in selecting books: if he makes five or more errors in reading a page of about 50 words, the book is too challenging.
- **Encourage your child not to limit summer reading to books.** Encourage your child to read the sports page, to check up on her favorite baseball team, or to read children's magazines such as Ranger Rick, National Geographic World, and Sports Illustrated Kids.
- **Read a book and watch the video together.** When you finish reading and viewing, discuss the similarities and differences and talk about which version you prefer. Many books, including "Stone Fox", "Sarah, Plain and Tall", and "Charlie and the Chocolate Factory," are available in movie versions.
- **Take books along on outings.** Pack books in your beach bag or picnic basket, and bring a stack on long car rides. You and your child can enjoy books together anywhere you go this summer.
- **Encourage your child to write this summer, too.** From writing postcards to friends and relatives to keeping a journal while on a trip, summer presents unique ways for your child to write about his own experiences. Have your child pack a disposable camera on vacations or day trips and help him create a book about his experiences.

Keeney Street School PTA

Happy Summer!

As we wind down the school year, we look back and can truly say that our children had a blast! They learned, they played, they made new friends, they grew and they had a great time doing it! Thank you to the countless volunteers that helped throughout the year. We could not have accomplished so much without your support. We hope that this year provided the Cubs and their families with enriching experiences and opportunities to connect with the Keeney Community. We are happy to call this our Keeney Family.

Our first meeting of the 2015/2016 school year is tentatively scheduled for Tuesday, September 8th from 6:30-7:30pm . *Bring the kids!* We provide childcare with the Lutz Children's Museum during our meetings.

End of the Year Events:

- **Thursday, June 11th – Field Day.** If you are able to assist at any time throughout the day, please contact Mr. DeNies at b21gdeni@mpspride.org. Your help would be greatly appreciated. (Rain Date June 15th)
- **Tuesday, June 16th – Volunteer Tea.** In recognition of all that our volunteers have done throughout the year, Mrs. Haveles has arranged an exciting performance to watch as you sit back and enjoy refreshments, courtesy of the teachers and staff.
- **Tuesday, June 16th – Ice Cream Social.** The school will enjoy delicious ice cream and popsicles courtesy of the PTA.
- **Friday, June 19th – Spirit Day – Beach Day.** Wear your favorite beach-themed outfit to school and help support our PTA.
- **Box Tops for Education...**Last Call to turn them into the drop box located in the office.

THANK YOU Grace Papa and Addison Hall for hosting a Lemonade Stand during the Memorial Day weekend and donating all of the proceeds to the PTA. It is this type of kind-hearted initiative that makes us so proud. Thank you both so much and keep up the good work!!
