To the Manchester High School Community,

Students and staff at Manchester High School spent an hour in a lockdown on Friday in response to social media postings that suggested a possible incident occurring in the high school cafeteria.

An investigation by police and school security determined that the threat was not credible. Nevertheless, additional police were stationed at the school when the lockdown was lifted shortly after noon. Police are to remain on site until the end of the school day.

We will continue to monitor the situation and always make student safety our highest priority.

Sincerely,
