

Ms. Montanaro's CLASS NEWS

A Note from the Teacher

Conferences are coming up soon! Conference reminder forms will be sent home as the time approaches. I will also be sending home login information for the Lexia reading and enVision math online programs soon! Please remember to check your child's folder each night. This is also a great way to talk about what we learned that day at school!

We are collecting Box Tops! Please send any box tops you have to school with your child! Thank you!

Look at us G.R.O.W!

Congratulations to the following students for receiving awards this month! Students are nominated for the G.R.O.W. awards by their classmates!

November 26 & 27 - No School

December 1, 2 and 3 - Conferences,
Dismissal at 1:17 pm

Thank You, Ms. Montanaro

What's Happening in...

Word Study: We are working to learn all of our letters and their sounds! We are isolating the first sound in words and sorting words by first sound. We are starting to learn sight words. Some words we know are *the, a, I, it, and, we & my*.

Reading: We are building our stamina reading independently and with a partner! We use the pictures to reread familiar stories and favorite books.

Math: We are working on reading and writing numbers to 10 and counting groups of up to 10 objects in any arrangement. We are also working on comparing groups of objects and numbers within 10.

Writing: We are working on writing stories! We are adding details to our pictures and stretching out words to write sounds.

Social Thinking: We are learning about the "group plan." We are making a plan before we work together, and we are learning that it gives others good thoughts when we follow the plan!

Science: We finished our weather unit, and we are now learning about shelters!
