

## Detention Policy

**Detentions** are incurred for infractions in the classroom and hallway. These can be removed by turning three “good time tickets” to the homeroom teacher.

- **Once a student earns ten (10) detentions, high school students will be assigned a Saturday school.**
- **Successful service of a Saturday School (staying the entire time, completing work) will result in all 10 detentions being removed.**
- **If a student skips Saturday School, they will serve the next school day in the BIR room.**
  - **A successful day in BIR results in the removal of 5 detentions. A successful day meets the following criteria:**
    - **Appropriate language and behavior**
    - **No use of personal electronics**
    - **Good faith work on and/or completion of assignments.**
- **If a student does not have a successful day, they will continue to serve in the BIR room until they have a successful day.**
