Building Shared Vision: Board of Education Retreat...

Building Shared Vision: Board of Education participates in retreat to develop vision, district priorities.

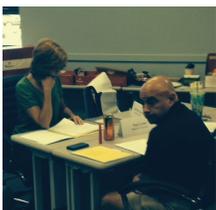

Members of the Manchester Board of Education, along with the Superintendent of Schools, participated in the first of three planned sessions on Saturday, September 27, 2014. The goals of the retreat were to:

- Provide a positive and supportive environment for productive interaction around topics and issues of significant interest to participants
- Provide opportunities for Board Members to think and plan collaboratively regarding their present and future work together as a governance team

- Develop and adopt a Vision Statement that will guide the work of the Board of Education and School District, and communicate the Board's expectations and commitments to the Manchester community

- Review the draft of Manchester's District Improvement Plan (2014-17) and provide feedback/input to the Administration based on Board Members' perspectives and alignment with the Board's Vision Statement

- Develop Board/Superintendent priorities and goals for the 2014-15 School Year that are aligned with the Vision Statement and District Improvement Plan

Once the Board of Education has finalized the vision and priorities / goals for 2014-15, they will be shared with the public at a Board of Education Meeting.
