# Check it out-Exciting things going on at Bowers School!

## On October 14, 2014, the Bowers School gym turned into a recording studio!

Singer/Songwriter, Les Julian, led the students in producing a new recording of the Bowers school song, "We've Got the Power at Bowers" The students really got into singing the best song ever!! Once CDs of the school song are produced, students will receive them as positive reinforcement for demonstrating

the expected behaviors of being safe, respectful and responsible! Everybody was excited to be part of something so important, and the students and staff enjoyed the recording session!

## What else have the students at Bowers been up to?... Check it out!

★ Bowers principal, Dr. Ruggiero, takes time for what's important... talking to students about what they are learning!

★ Bowers School librarian media specialist and media paraprofessional, Ms. Colman and Mrs. Quaglia, post a warm and welcoming sign for the students

as they enter and explore all the library/media center has to offer as the hub of learning for Bowers School!

★ Bowers School students and staff are excited about the upcoming time capsule, 1989-2014 event scheduled for October 24!
