Jebran Leggett is a star at Robertson!...

Jebran Leggett was selected by the principal and teachers at Robertson to be their star. Jebran has proven that he is a valuable asset to the Robertson School Community. His teacher Mrs. Frye had this to say about Jebran:

“Jebran has really shown himself to be a leader. He is the first person to follow directions when asked to do something. He has a positive attitude and puts in a great effort into learning. He has really added to our reading discussions and is always participating. Jebran has some great ideas and we are lucky to have him in Room 16.”

Jebran recently was also a star at the Robertson Spring Concert. Miss Grieco had this to say about Jebran:

“Jebran is a wonderful student and role model to his peers. He is a great singer and musician. He is a part of the Band and Chorus as well as the Town Wide Chorus. He recently sang an amazing solo in our Spring Concert that he will repeat at our Fifth Grade Awards Assembly. Jebran is talented, creative and helpful and kind to his classmates. He is a wonderful asset to our music program and to Robertson Elementary School. “
