Waddell Students Spread Acts of Kindness...

Random Acts of Kindness week is celebrated nationally from February 14 through February 21st.

At Waddell School in Manchester Connecticut students within each class chose a different class to surprise with a kindness treat.

Some students made a special craft for others, delivered bookmarks to their older book buddies or shared a healthy snack. In Ms. Daigle's Third grade class students dressed as waiters and waitresses and took a snack order of the students in Ms. Ginn's fourth grade class. As the students were being served their choice of snack, Ms. Daigle explained, "While we should be kind to others every day the word random means to be kind without being asked or having the recipient knowing ahead of time." The fourth graders were very happy to be treated like real customers. Random Acts of Kindness week was celebrated throughout Waddell School and the kindness was apparent on the faces of many students in this short week of school. To learn about this week long celebration or ideas for your own classroom or family please visit <https://randomactsofkindness.org/>.
