Dear Parents and Guardians,

Welcome to another exciting year at Highland Park School! I am very pleased to have your child in my classroom this year. Fifth grade is an exciting and challenging year for students. I hope that summer is giving your family time for some well-deserved relaxation and rest.

Fifth grade is a very busy year with lots of projects, field trips, and celebrations. The beginning of the school year will focus on building our classroom community of being safe, responsible, and respectful so we can all have a fantastic fifth grade year.

Any supplies needed will be provided for your child. I look forward to meeting you and your child so we can work together to have a great school year. Don't forget to mark your calendar for the back to school cookout. I'm looking forward to seeing you there!

Sincerely,

Kelsey Palazzo
