

August 16, 2016

Hello Grade 4 students!

I hope this letter finds you enjoying your summer and having a wonderful time! I am looking forward to hearing all about the things you did and the places you went.

I would like to welcome you and your parents to fourth grade! I am excited about meeting you and getting started on what promises to be a fantastic 4th grade year! Fourth grade is the grade where you will start using the skills you have learned since kindergarten in ways that are more interesting and, yes, FUN!

You will learn new skills like division and you will be able to read for longer periods of time, you will also write fiction stories where you can let your imagination soar and you will build and launch a model rocket in science!

I don't know about you but I'm looking forward to these and many other fun and exciting things we will do during our year together.

I will be providing everything you will need for school regarding supplies. I have all of the notebooks, folders, crayons and other things you will need to have a fantastic and fun filled 4th grade experience!!

Okay, boys and girls, go back to your vacation! Thank you for letting me interrupt your summer. I look forward to welcoming the 2016/2017 Whizz Kidzz on: **Thursday September 1st.**

If you or your parents have any questions your parents can e-mail me at mrizzo@mpspride.org.

Your teacher,

Mr. Rizzo
