Project Graduation is a parent organization committed to giving graduating seniors a safe and fun filled evening after graduation. The party is an annual drug and alcohol free event that offers food, games, contests, dancing, a hypnotist, giveaways, and many more surprises for our graduates. Funding is raised solely by donations from the community. If you would like to help make this year's celebration one to remember, please consider joining us at Sweet Frog!

To make a monetary donation please contact Patricia Adams at 860-645-6836 or Theresa Hill at 860-646-3958
