

Room 5 Classroom News

May 2-May 13, 2016

Classroom happenings:

We have been reading books about caring for animals and the work of veterinarians. Some of the books we have read include: Caring For Your Pets, Veterinarians, Animal Hospital, The Day of A Country Veterinarian, and ER Vet. We transformed our dramatic play area into a vet clinic. Your child may talk about their role as the vet, vet tech, pet owner, or receptionist. On June 7th, we will be taking a field trip to the Lutz Children's museum to see how they take care of the animals that live there. More details about this trip will be sent home soon.

In math, we are working on recognizing different representations of numbers. We have been playing Bingo and other matching games to practice our number recognition and identification.

On Earth Day, we planted pansies in the planter on our patio. They look beautiful. We have been taking turns watering them.

Our last cooking experience was delicious. The children made english muffin pizzas. We spread pizza sauce on half of an english muffin, added shredded mozzarella cheese and black olives. Mmmmm, good!

At Home Connection: Try making english muffin pizzas for dinner with your child. Add a side salad and some fresh fruit and you will have a healthy and quick supper! We used english muffins, pizza sauce, shredded cheese and black olives. Experiment with other toppings such as pepperoni, peppers, mushrooms and more!

Reminders: Our last home visits are Thursday, May 5th, Monday, May 9th, and Thursday, May 12th. Appointments have been set up with most parents already. If you have not scheduled your home visit yet please call the school 860-647-3502.
